

Attention to all Tourists

Please do not walk while eating around Nishiki Market.

Although, there has no major accidents have occurred so far, there is a possibility of liability issues.

Take precautions that may cause trouble. For example: confectionery from sweet items, any wooden or metal sticks, food with sauce.

Throw trash in the garbage can, provided nearby.

Do not underestimate any circumstances, and do not eat outside in front of the surrounding stores.

We are asking you to eat foods you bought at the store where you purchase the item. We therefore ask, that you pay attention and follow the rules.

Thank you for your cooperation!
